To compose own rap to an existing rap,
in the style of Old School Hip Hop.

Computing

Using technology safely.

Coding

Autumn Term in Medical Class - Toys @ Home

What toys did my teacher play with?

Dear Parents and Carers,

Throughout this term, we will be learning about toys through the ages.

To start our topic, we will be learning about what toys our families used to play with, comparing the similarities and differences.

We will be making our own moving toys in design technology, plotting toys on a timeline in history and visiting a toy museum to round up our topic.

If you would like to find out more details about our curriculum please refer to the website or ask your child's class teacher.

The Year 1 Team - Mrs Peterson and Miss Dane.

Term Dates

Term starts
6/09/2018

Half Term-
22/10/2018- 26/10/2018

Term ends
20/12/2018
