Overview of our school 2017-2018

Total Number of pupils on roll: 402

Total amount of Sport Funding received 2017-2018: £19250

Total amount of Sport Funding received 2016-2017: £9445

Summary of actions taken 2017-2018: Throughout this academic year we have continued to enhance our provision for P.E across the school. This year our focus was:

- **1. Offering a range of sports and different activities to all pupils so we can broaden their experiences:** We will continue to participate in borough wide sports. We will view clubs termly so children can experience a wide range of clubs and link these to sporting competitions or festivals.
- **2. Engaging all pupils in regular good quality PE lessons to ensure an active healthy life style:** We will continue to deliver good quality PE lessons from an outside agent ASSA, insuring that children are active for at least 1 hour a week.
- **3. Raising the profile across school, for whole school development to increase confidence, knowledge and skills in teaching PE:** Provide all staff with professional development program.
- **4. Increasing participation in competitive sports:** Work closely with the school sports partnership giving all pupils the opportunity to take part in competitive competitions. Organising inter-house competitions to increase the relationship with local schools and parents.
- **5. To provide regular swimming lessons throughout the academic year:** Children to receive swimming lessons to ensure confident swimmers by the end of Key Stage 2.
- **6. To gain the School Sports award:** To gain knowledge and understanding of the school sports award and work closely with all staff and school sports partnership.

The sports funding grant aims to:

- Employ specialist PE teachers or qualified sport coaches to work with primary teachers during PE lessons (swimming and bike ability included)
- Support and involve the least active children by running after school sports clubs
- Provide resources and training course in PE and sport for teachers
- SSCO – link to Eastwood and local schools
- Deliver sports competitions or increase pupils participation in the school games inter house competition, lunch times and with outside agents
- Deliver sport competitions with local school
- Healthy school award
- School sports award

Project 1 and 4: (Total Expenditure: £1900)

- **SSCO (£1250)**
- **Competitions and Clubs (£1650)**
- To provide pupils with a wide range of opportunities to compete in sports events with local schools
- To promote inclusion and increase participation in sport
- To use the expertise and the resources of the SSCO to review and update the KS1/KS2 scheme of work
- To access the network of local and regional sports competition and schools games
- To ensure that more pupils in KS1 have the opportunity to take part in sport events.

- To ensure that we offer a Variety of clubs for all pupils from Nursery – Year 6
- To increase the participation off FSM, PP, SEN
- To increase the participation for Key Stage 1 pupils

Project 1 Outcome:

Our school aim was to provide a wide range of opportunities to compete in sports events within the borough and in house. We provide funding from the school sports partnership to run football tournaments at Eastwood and welcomed 6 local schools to take part. This increased the relationship within the schools, gave children the confidence to take part in small competitions and it also gained a large positive response from the parents and careers in the local area. Using the sports funding Grant meant we have also been able to take part in SSCO competitions for the more gifted children and compete against other children at a higher level. As a school we are fully engaged with the range of competitive sports throughout the year and this also includes our school membership to SSCO.

Overall impact:

- 40 pupils boys and girls from Key Stage 2 took part in the Eastwood Tournaments
- 20 boys from Key Stage 2 took part in the SSCO football tournaments at Len Forge.
- 60 pupils boys and girls from Key Stage 2 took part in the SSCO Key Stage 2 borough sports at Garons
- 40 pupils boys and girls from Key Stage 1 took part in the SSCO Key Stage 1 borough sports at Garons
- 15 pupils boys and girls from Key Stage 2 took part in the SSCO Key Stage 2 Hockey tournament at Westcliff Rugby club
- 25 pupils boys and girls from Key Stage 2 took part in the SSCO Key Stage 2 Cross Country at Garons

Project 4 Outcome:

By using the School Funding Grant we have been able to support and prove a verity of clubs and asked external agents to deliver specialist skills. ELITE sport, Archery, Gymnastics and Handball, Break Dance club, Tennis Club for Key Stage 1 and Key Stage 2.

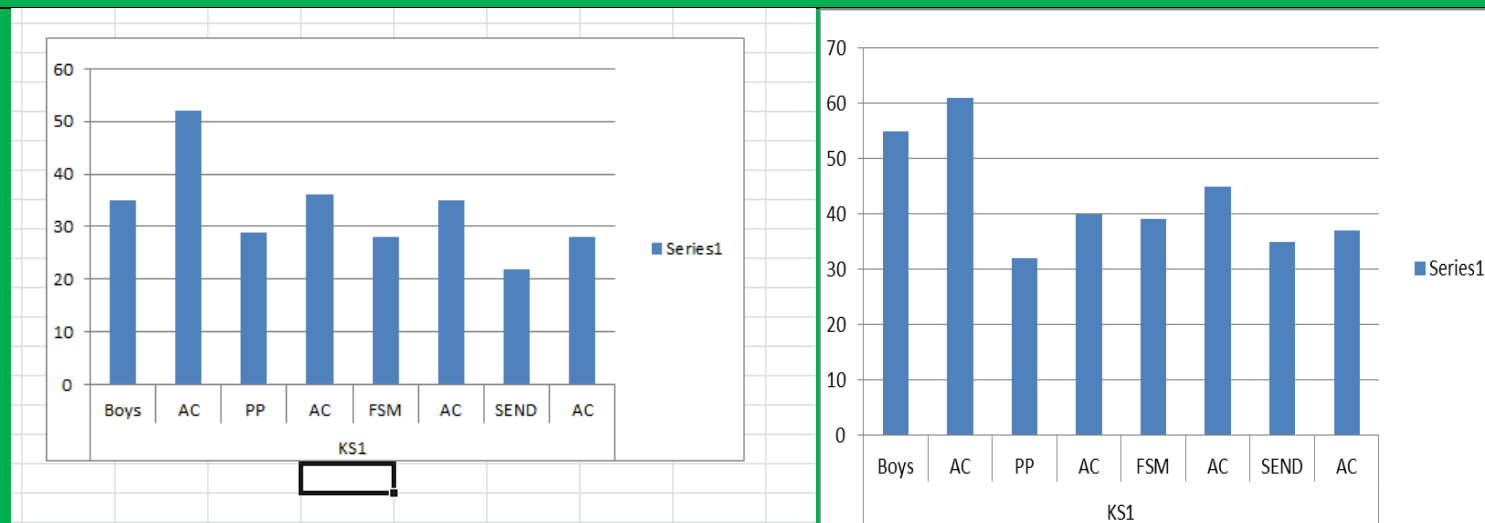

We have also offered teachers CPD training so more clubs are on offer to all pupils in school. We have specifically looked at the skills children need to help develop their own knowledge and confidence and adapted these clubs to their needs, focusing on FSM,PP,SEN and Key Stage 1 children.

Data for Spring and Summer term:

Overall impact:

Key Stage 2 Data show that using the School Funding Grant so we can offer a wider range of clubs so all children get the opportunity to take part, Spring Term 77% Key Stage 2 PP children took part in clubs and 88% Key Stage 2 PP children took part in clubs in Summer term. This show a massive increase and can only have a positive impact on healthy living, growth in confidence and ability.

Key Stage 1 Data also show that using the School Funding Grant, we can offer a wider range of clubs so all children get the opportunity to take part, Key Stage 1 FSM in Spring term was 28% and Key Stage 1 FSM in Summer term was 39%, again an increase in participation in extra curriculum activities.

Autumn Term: 256 children across the school took part in extra curriculum activities

Spring Term: 295 children across the school took part in extra curriculum activities

Summer Term: 334 children across the school took part in extra curriculum activities

Autumn term: 26 extra curriculum clubs were offered across the school

Spring Term: 27 extra curriculum clubs were offered across the school

Summer Term: 27 extra curriculum clubs were offered across the school

Project 2 and 3: (Total Expenditure: £8325)

- **ASSA Time (£7325)**
- **CPD (£1000)**
- Providing alternative sports for each year group, enabling children to experience a greater range of sports
- Delivering good quality PE lessons, minimum 1 hour a week
- Enhance existing provision of sports through specialist coaches and experienced teachers
- To impart knowledge onto staff in order to deliver programmes to support children in a range of specialist sports
- To provide children with a broad and balanced sporting offer
- To provide staff members with an opportunity to improve skills and knowledge in order to support children more effectively
- To involve all staff members in developing a vision for PE and sport at Eastwood

Project 2 and 3 Outcome

Our aim was to provide pupils and staff the opportunity to gain deeper knowledge of all sporting activities and develop skills and attitudes toward learning and that all children were able to access this throughout the school day.

We provided funding from the Sports Funding Grant to employ an experience PE coach teacher to allow children to partake in a variety of sports in their daily PE lessons. (ASSA)

Using the Sports Funding Grant we have also been able to pay for specialist coaches (Mr King) to teach alternative sports during school time, this was offered to NQT'S in Autumn term and gave them the opportunities to develop their CDP within PE. Spring and Summer term it was offered to teachers who wanted to become more confident in delivering a good standard PE lesson and also improve their own skills in certain sporting activities. The positive side of this was the pupils at Eastwood would be able to take part in 2 hours PE a week but also give them the confidence to attend all clubs.
