Valuing difference: Listening to others

Summer Term in World Leaders - South America @ Home

How is South America different to Europe?

Dear Parents and Carers,
Throughout this term, we will be learning about South America. We will be looking at the similarities and differences through the study of human and physical geography of our local surroundings, a region in a European country and the Amazon Basin within South America.

Miss Holdaway and Miss Castle

(If you would like to find out more details about our curriculum please refer to the Website or ask your child's class teacher.)
